

Collaboration

- ❧ What are your goals for this group project? Get an A? Just complete it? Experience/Practice writing an essay as a group project? Learn more about comics strips?
- ❧ Are you interested in this particular assignment? To what degree? Your experience working in groups? With technology? Do (or did) you read comic strips? See them as an art form?
- ❧ What limitations do you have as far as spending the necessary time and effort completing the project?
- ❧ What is your responsibility as a member of a group?

- ❧ How will you avoid group think?
- ❧ How will you handle positive & negative conflict?
- ❧ How will you write collaboratively – planning, drafting, revising, editing?
