

# Assign 2

Summarizing, Analyzing, & Evaluating a  
Comic Strip: *Girls & Sports*

# Purposes

- ❧ To summarize one comic strip from the comic strip series *Girls & Sports*.
  - ❧ Describe the comic strip so readers understand the “plot” --what happens in the narrative--and can visualize it.
  - ❧ Include text and visuals.
- ❧ To interpret and analyze the comic strip.
  - ❧ What is the source of the strip’s humor? What ideas does it present about sports? About how sports influence how we think about ourselves and our relationship to our society? About how guys and girls (men and women) understand and relate to sports and to each other through sports?
  - ❧ Consider text and visuals.
- ❧ To evaluate this comic strip.
  - ❧ Is this comic strip funny? Well done (e.g., text and artwork)? Provocative? Engaging? Clichéd? Stereotypical? Sexist? An interesting approach to sports? Support your evaluation.

# Context, Occasion, Medium, Genre

- ❧ Choose **one** comic strip from the comic strip sheet to write about. Due date: TBA Turn in hard (print) copies of peer review docs + essay. See syllabus.
- ❧ Formatting: You will not format this like a traditional essay with an intro, body, and conclusion and traditional paragraphing. Instead, everyone will use these five headings in bold: **Introduction; Summary and Description; Strip Analysis; Evaluation; Sources** Use block paragraphs instead of indenting the first line.
  - ❧ Points: 20
  - ❧ Length: 1.5-2 pgs
  - ❧ Formatting Guidelines: one-inch margins, single-spaced paragraphs, block paragraphs (rather than indent as you typically would).
    - ❧ Font style, sizes: Headings, Arial, 14pt, bold (no underline); Text, TNR, 12pt
    - ❧ See Course Notes for examples
- ❧ Focus on the one strip you choose but consider all of the other strips on the sheet – get a sense of the series.
- ❧ Basic research on the strip: bkgrd on creators, strip's basic situations, characters, themes.
- ❧ Considerations: Who is your audience? What planning will you do – invention documents (TSGW, Ch 11). There is no formal audience sheet or planning work required for this assignment; however, you should consider these and make use of planning documents we have tried this semester. And you can create your own planning docs. Think about audience and create planning docs because they will help you think and write.
