

# Collaboration

- ❧ What are your goals for this group project? Get an A? Just complete it? Experience/Practice writing an essay and giving a presentation as a group? Learn more about the Brontës? Their works?
  - ❧ Are you interested in this assignment? To what degree? Your experience working in groups? With technology? Your experience researching and writing literary analysis essays? Giving oral presentations? Share your positive and negative group project experiences. What are your takeaways?
  - ❧ What limitations do you have as far as spending the necessary time completing the project? Other limitations?
  - ❧ What do you see as your responsibility as a member of a group?
- 
- ❧ How will you avoid group think? Specific strategies you will set up as a group to push each other, to come up with and debate ideas? To tell each other when you need to do better?
  - ❧ How will you avoid negative conflict?
  - ❧ How will you write and present collaboratively – planning, drafting, revising, editing? How will you keep due dates and deadlines clear?
